

EFFECTIVE

January 1, 2017.

Subject(s)***JR5 510, Escape Response***

Policy clarifies the definition of escape and modifies the requirements that must be included in the standard operating procedures for state run and private, contracted juvenile justice residential treatment facilities.

This item updates the legal basis for the policy requirements and outlines required notifications, timeframes and documentation requirement for youth in escape status.

This item has been updated to reflect current policy standardized formatting and hyperlinks have been updated.

Reason: Program Office Clarification, MiSACWIS Implementation

Job Aids

A checklist, the DHS-5520, Residential AWOLP & Escape Checklist, has been developed as an optional tool to assist with ensuring required actions are completed.
